

ABOUT US

Since 1989, Square Enterprises Corporation has prided itself on importing and distributing premium specialty foods from Poland and neighboring Eastern European countries to both supermarkets and family-owned shops with personal, attentive care.

Our distribution network extends from our warehouse locations in New Jersey and Chicago, and reaches from coast to coast. With a portfolio of over 5,000 products displayed in over 2,000 locations, our team works with each customer to promote products that reflect both current and emerging trends.

Square Enterprises Corporation has been a trailblazer in the industry proudly supplying customers with their favorite flavors from the past and introducing others to the exciting, rich culinary offerings of Poland.

A close-up photograph of a glass of orange juice being poured. The juice is a vibrant orange color and is captured mid-pour, creating a dynamic splash that rises above the rim of the glass. The glass is clear and has a textured, faceted base. The background is dark, making the bright orange juice stand out. The lighting is dramatic, highlighting the texture of the liquid and the facets of the glass.
